Summary

IT support professional with 4 years of hands-on experience supporting end users, PCs, printers, networks and Windows Server in office, education, hospitality, NGO and airport environments. Skilled at troubleshooting hardware, software and network issues, setting up devices for new staff, managing user access and backups, and working with vendors. MTCNA-certified, English at upper-intermediate level (B2), and completing a Bachelor of ICT at Rangsit University.

Skills

- **End-user support:** Hardware and software troubleshooting, PC/laptop setup, printers, smart devices, phone and email support, user training
- **Windows and accounts:** Windows workstation deployment, Windows Server 2012 R2, user permissions, file sharing
- **Microsoft Office:** Outlook, Word, Excel, PowerPoint
- **Networking:** LAN/Wi-Fi troubleshooting, TCP/IP, DHCP, NAT, VPN, firewall rules, MikroTik, Cisco, Ubiquiti, Cambium, EnGenius
- **Data and backup:** NAS, RAID, scheduled backups, file-access control

- **IT operations:** Onboarding and offboarding equipment, asset preparation, vendor coordination, documentation and reports, CCTV setup
- **Languages:** English – Upper Intermediate (B2) · Myanmar – Native · Thai – Basic

Experience

Bachelor's Student, Information and Communication Technology — Rangsit University, Thailand · 2024 – Present

- Full-time study in networking, systems and IT service management, plus self-study in ITIL and data-center networking

IT Executive — Trust Venture Partners Co., Ltd., Myanmar · Jan 2023 – Dec 2023

- First point of contact for IT issues across users, computers, software, network equipment and office systems
- Managed Windows Server 2012 R2 user accounts, permissions and file-access requests for all employees
- Ran scheduled RAID and manual backups, reducing the risk of data loss
- Sourced IT equipment and handled repairs with vendors, keeping staff devices in working order
- Also supported IT operations for Myanmar Institute of Business (MIB), a subsidiary

IT Support Engineer → Senior Network Engineer — TAS System Integration Co., Ltd., Myanmar · Dec 2019 – Dec 2022

- Provided on-site and remote IT support for enterprise clients in offices, schools, hotels, an NGO and an airport
- Set up Windows workstations, user devices, NAS file shares and access permissions for client staff
- Prepared and maintained employee IT equipment and backups for ChildFund Myanmar
- Configured MikroTik routers (NAT, DHCP, firewall, VPN, hotspot, bandwidth control) and Ubiquiti, Cambium and EnGenius Wi-Fi
- Installed racks, structured cabling and Cisco routers for the Indian Navy Office, Thilawa
- Supported network, Wi-Fi, CCTV and Windows deployment at Yangon Airport's Air Traffic Command Center
- Wrote network diagrams, checklists, weekly/monthly reports and handover guides, and trained end users

- Promoted from IT Support Engineer to Senior Network Engineer in 2021

Education

- **Bachelor of Information and Communication Technology** — Rangsit University, Thailand · 2024 – 2027 (expected)
- **BTEC Level 5 HND Diploma in Computing and Systems Development** — Pearson / Youth Computer Co., Ltd. · 2019

Certifications and Training
